Colorado Agricultural Development Authority

Annual Report For the Year Ended December 31, 2020

Beginning Farmer Program

This program utilizes tax exempt bonds to assist first time farmers and ranchers with the purchase of land, equipment and other capital expenditures. Three hundred and ninety loans for a total of \$62,151,909.34 have been made to individual borrowers as of December 31, 2020. In 2020, six loans for \$1,040,000 were made to assist beginning farmers and ranchers.

Agricultural Processing Loan Program

This program utilizes tax exempt bonds to assist in the purchase of facilities and equipment for the processing of agricultural goods. Four bonds have been issued for a total of \$14,895,000 under this program.

Agricultural Sewage Facility Bonds

This program utilizes tax exempt bonds to assist with the purchase of equipment and facilities for the handling of agricultural sewage and waste material. In total, four bonds for \$20.50 million have been issued under this program.

Loan to Lenders Program

This program was conducted in 1983 with six-year equipment loans (ended in 1989) and ten-year land loans (ended in 1993). A total of 105 loans for \$8,000,000 were made.

In total, CADA has assisted with 503 loans for \$105,545,909.34. No state money is pledged or at risk under any of these programs.

Colorado Agricultural Development Authority

Notes to Financial Statement For the Year Ended December 31, 2020

1. Authorizing Legislation

The Colorado Agricultural Development Authority (the Authority) is an independent public body politic and corporate and political Subdivision, created June 19, 1981 by an Act of the General Assembly of the State of Colorado.

The purpose of the Authority is to provide low interest financing to Colorado farmers, ranchers and agricultural processors for capital expenditures necessary for agricultural production.

The Authority may issue tax-exempt bonds and notes or other obligations, which shall not constitute a debt of the State of Colorado, its legislature or any political subdivision other than the Authority. Obligations are issued by and are the limited obligations of the Authority, payable solely from collections from the borrowing entity.

2. Nature of Funds

The funds maintained by the Authority are described below:

Operating Fund – The operating fund was established by the Authority to account for expenses necessary for the operation of the Authority.

Bond Funds – Resolutions adopted by the Authority and bond documents intended to implement the resolutions establish the specific funds to account for the proceeds of the bond issues and debt service payments. (Also see Note 4)

3. Accounting Policies

The Authority's financial statements reflect the accrual basis of accounting.

4. Bond Revenues

The Authority may impose upon any borrower a service fee in amounts determined by the Authority. These fees may be used to pay various expenses of the Authority, including administrative and operating expenses, and to provide funds for anticipated future expenses. These fees are payable in part at the time of application and in part at the time of closing and thereafter annually on December 15th for the length of the loan period.

February 1, 2021

The Honorable Jared Polis
State Capitol Building
200 East Colfax Ave.
Denver, CO 80203

Dear Governor Polis:

This is the thirty-ninth annual report of the Colorado Agricultural Development Authority. In 2020, six bonds for beginning farmers and ranchers were issued. The amount of bonds issued in 2020 through the Beginning Farmer program was \$1,040,000.

In 2021 CADA will continue to assist Colorado farmers and ranchers through its Beginning Farmer Program. We will also look for additional ways to assist Colorado's agricultural community.

Sincerely,

Ben Rainbolt
Chairman

Jim Rubingh
Secretary
